Families Know Best is seeking input from families of children with disabilities and chronic health conditions. Participating families are asked to fill out a quarterly online or print survey about the services they receive. Information gained through these surveys is shared with a large network of service providers.

Families Know Best is a quick and simple way for families to be heard.

A parent advisory group for families of children with disabilities and chronic health conditions
Parent Input is VITAL!

Parents have the most complete understanding of their child's physical, developmental and social needs. Parents understand their child’s needs in the context of their family’s situation, culture and community. Parents are the only adults who have been and will continue to be deeply

Bi-monthly parent surveys gather input from families of children with special health care needs.
