

Moving the Needle on Social Justice

Presented by **Adam Foley**, Director of Diversity Education,
Assessment, & Outreach—University of Delaware Office of Institutional
Equity, Diversity, and Inclusion

February 23

Embedding Social Justice in Our Lives

This workshop has already passed, but the recording can be viewed [HERE](#). Although the workshops in this series build on each other, watching this event is not required to attend future workshops!

March 23

Getting Out of Our Own Way

This workshop has already passed and was not recorded at the request of at least one attendee. Although the workshops in this series build on each other, watching this event is not required to attend future workshops!

April 27

Designing A More Inclusive Environment

As we conclude our work, we will talk about how to take our previous knowledge and incorporate it into our professional and personal spaces. We'll actively engage in moving beyond meeting minimum requirements for access and accessibility.

To register for this workshop, please click [HERE](#).
