

ADVOCATING FOR **BOLD** ACTION WITH OUR FEDERAL ESSER FUNDS

Over the past year, every district and charter school in Delaware has received federal relief dollars.

The last installment is the most significant amount of extra funding given to our education system in a generation!

We can and must use this opportunity to reinvent learning in our state by addressing structures that are broken. Join partners to:

- hear the facts on the funds
- share your thoughts for innovation
- learn how to speak up, speak out, and act together!
