THANK YOU

2022 Family Advisory Board Opportunities

Stakeholder Development Group - Parent Mentor Program

This initiative funded in part, by the Delaware Department of Education and facilitated by Parent Information Center of Delaware will provide comprehensive training for parents and stakeholders in special education and advocacy. The Parent Mentor Stakeholder development group assists PIC in the development and facilitation of a statewide parent mentor program. Stakeholders will contribute to the selection of program modules, including training topics, identifying training facilitators, as well as other program competencies and recruitment of families.

Commitment: 1-3 hrs per month

Family Leadership Network

Join a diverse group of families leaders serving in a number of initiatives improving outcomes for children and youth including; child development, disability inclusion, addressing complex medical needs and community supports, advocacy skills. Members also learn and/or develop how to lead in groups. FLN Members can also serve on learning communities - topic specific opportunities serving children with special healthcare needs. Members will meet regularly and will participate in trainings and events.

Commitment: 1-3 hrs a month.

Family Shade Advisory Board

This volunteer board provides support and advice to PIC Staff on Family Shade program(s). It meets quarterly and members serve as advocates to the program(s), providing a connection to and ongoing exchange of information and ideas. 2 hrs a month.

Family Advisory Board PTI & Family to Family Health Information Center Programs

This volunteer board provides support and advice to PIC Staff on PIC and Delaware Family Voices program(s). It meets quarterly and members serve as advocates to the program(s), reviews and offers feedback on in communication tools, program evaluation and programming; providing a connection to and ongoing exchange of information and ideas. **Commitment: 2 hrs a month.**
