

FAMILY SHADE LEARNING COMMUNITY

Understanding Newborn Screening

Presented by Family SHADE with guest speaker Dr. Kathryn Tullis, PhD

AUGUST 8TH AT 12PM VIA ZOOM

Login details and instructions will be sent by email once registered.

Learning Community:

Join us for a discussion about newborn screening in Delaware, why it is done, and what is included in the screening. We will have a panel of parents from across the country and Delaware discussing their experiences with Newborn Screening.

To register for this virtual event please head to the events page at picofdel.org
