

# LEARNING COMMUNITY

## LANGUAGE OPPORTUNITY SERIES: Listening and Spoken Language (LSL)

**JANUARY 17<sup>TH</sup> AT 7PM VIA ZOOM**

— with ASL and Closed Captioning —

Login details and instructions will be sent by email once registered.

### Learning objectives:

- Learn the purpose and basic methods of LSL and how it differs from other interventions.
- Determine the fit between parental goals for their child and LSL, or if other opportunities best further achievement of the parents' goals.
- Learn how to access LSL services in Delaware.

### About the speakers:

- Gayla Guignard - Chief Strategy Officer at Alexander Graham Bell Association for the Deaf and Hard of Hearing
- Marguerite Vasconcellos, Ed.D., LSLS Cert AVT - School of Education, Drexel University
- Mia Papas - Parent of Zoe who wears bilateral cochlear implants
