

ADVOCACY & THE

Family's Role

APRIL 18TH - 1:00PM - 2:00PM |

Login details and instructions will be sent by email once registered.

Each parenting journey for a child with special health care needs begins differently. This session discusses the types of advocacy and how advocacy can be used to improve outcomes for children

Objectives:

- Importance of Advocacy
- Types of Advocacy
- Characteristics of Effective Advocates
- Also hear from parent/caregiver advocates from the community

Presented by: Meedra Surratte,
Parent Information Center of Delaware
